

Central Valley Water Reclamation Facility

TOTAL TOXIC ORGANICS CERTIFICATION REPORT

Industrial Users subject to self-monitoring requirements for Total Toxic Organics (TTO) must submit this certification report where an approved Toxic Organic Management Plan (TOMP) has been implemented, or where no TTOs are used, stored, produced or discharged in the facility wastewater.

Facility Name _____

Address (Street) _____

(City, Zip) _____

Reporting period: From _____ to _____

CHECK APPROPRIATE BOX

- No regulated organic chemicals are used, stored, produced or discharged to the Central Valley Water Reclamation Facility since filing of the last report.
- Based on my inquiry of the person or persons directly responsible for managing compliance with the TTO limitations, I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewaters has occurred since filing of the last report. I further certify that this facility is implementing the approved toxic organic pollutant management plan submitted to the Central Valley Water Reclamation Facility on _____

I have personally examined and am familiar with the information submitted in this report and attachments. Based on my inquiry of those individuals immediately responsible for obtaining the information reported herein, I believe that the information reported herein is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
